**Risks of the procedure:**

- Bleeding
- Infection

**It is very rare that these complications occur but in the event that you have any of the following you should go directly to the Emergency Room:**

- Heavy rectal bleeding
  - Sharp/severe abdominal pain
  - Severe nausea or vomiting
  - Fever
- **Nothing to eat or drink after midnight the night before the procedure.**
  - **No aspirin or blood thinners (Coumadin, Plavix, Pletal, Ticlid, Warfarin) 4 days before the procedure. Check with your prescribing physician to see if it is safe to do so. All of your other medications will remain the same, including heart and blood pressure medicine. If you are not sure which medication to hold, please contact our medical staff.**
  - **Stop taking all acid medication for 7 days example: (Aciphex, Nexium, Prevacid, Omeprazole, Prilosec, Zegerid, Protonix, Zantac etc.).**
  - **You must have a trusted person, at least 18 years of age drive you and stay with you during the procedure. You may not drive yourself under any circumstances**

**It may be necessary to hold anticoagulants (blood thinners) after you have polyps removed, please discuss with your Gastroenterologist and Cardiologist.**

**You are required to schedule a follow up visit with our physician to discuss the results of the procedure. It is our policy that we do not give results over the phone.**

## **South Lake Gastroenterology Billing Policy**

South Lake Endoscopy Center is operated by Southlake Hospital. Billing for procedures are done by Orlando Health except for your doctor's fee which is billed by South Lake Gastroenterology. Anesthesia Services are billed by South Lake Anesthesia. If you are scheduled for procedure at South Lake Endoscopy Center, Please call 352-536-8895 to discuss all fees associated with your procedure. For Anesthesia, please call 352-243-9114.

You have been scheduled for a procedure. Please be advised that you will incur at least three different bills for your procedure. They will be as follows:

1. **Facility Charge** (The place where your procedure is scheduled).
2. **Physician Charge** for the procedure itself.
3. **Anesthesia Charge** (The facility can provide information about costs).
4. **Lab Charge** (for testing or if biopsies are taken).

South Lake Gastroenterology makes every effort to call your insurance company to verify coverage for your procedure. This is no guarantee of payment from your insurance company. If you require an authorization for procedures, please notify our billing department immediately. It is the patient's responsibility to know the coverage of the policy. If you have questions regarding the coverage of your procedure, you will need to contact your insurance company directly.

South Lake Gastroenterology can only estimate charges incurred for our Physicians' services. If you have questions regarding any of the above mentioned charges, please contact the facility at which you are scheduled.

**Self Pay Patient:** The doctor's fee for Endoscopy is \$385 and Colonoscopy is \$450. **This amount must be paid prior to scheduling your procedure appointment.**

**HMO Patient:** Please make every effort to make sure authorization is obtained for your procedure. You can confirm this by calling our Billing Department one week prior to your procedure.

**Medicare Patient:** No authorization is required.

**Under 50 years of age** and scheduled for colonoscopy, please call your insurance company to verify if the procedure will be covered. If you have questions, please contact our Billing Department at 352-242-1665.
